DE100011

Power supply 3 to 12V-600mA

Power supply for devices working with 3 to 12V.

School level

Junior and senior high schools.

Technical features

Input voltage: 100-230 VAC
Output voltages in VDC: 3 /4.5 / 5 / 6 / 7.5 / 9 / 12
Switch selector of output voltages
Output current: 600 mA
6 JACK sockets.
Length of wire: 1.80m
Weight: 110g
Packaging: individual box.

6 JACK sockets for different voltages

Product advantages

- Selecting **7 different output voltages**.
- **Good quality/price ratio.**
