

DO106029

Angular hinge for SENIOR optics bench

Accessory for SENIOR optics bench.

School level

Senior high school.

Technical features

- Hinge in black anodised aluminium
- Connecting two rails for SENIOR optics bench – **DO106027**
- Graduated disk in degrees
- Index for direct reading
- Small column for rod $\varnothing 10$ height 40mm
- 1 brass clamping screw on the column
- Weight: 290g
- Dimensions: 210x100x85 mm
- Packaging: individual box.

Product advantages

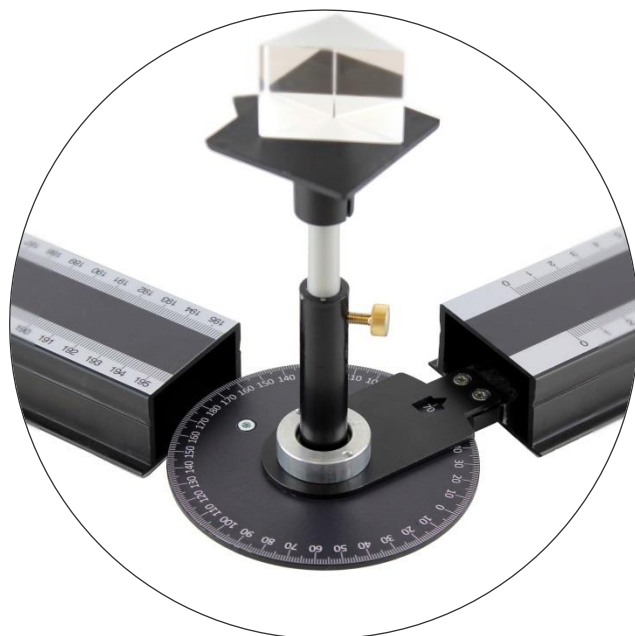

- **Angular connection of two rails** for optics benches.
- **Quick installation.**

Examples of experiments

- Decomposition of light with a prism.
- Goniometry.

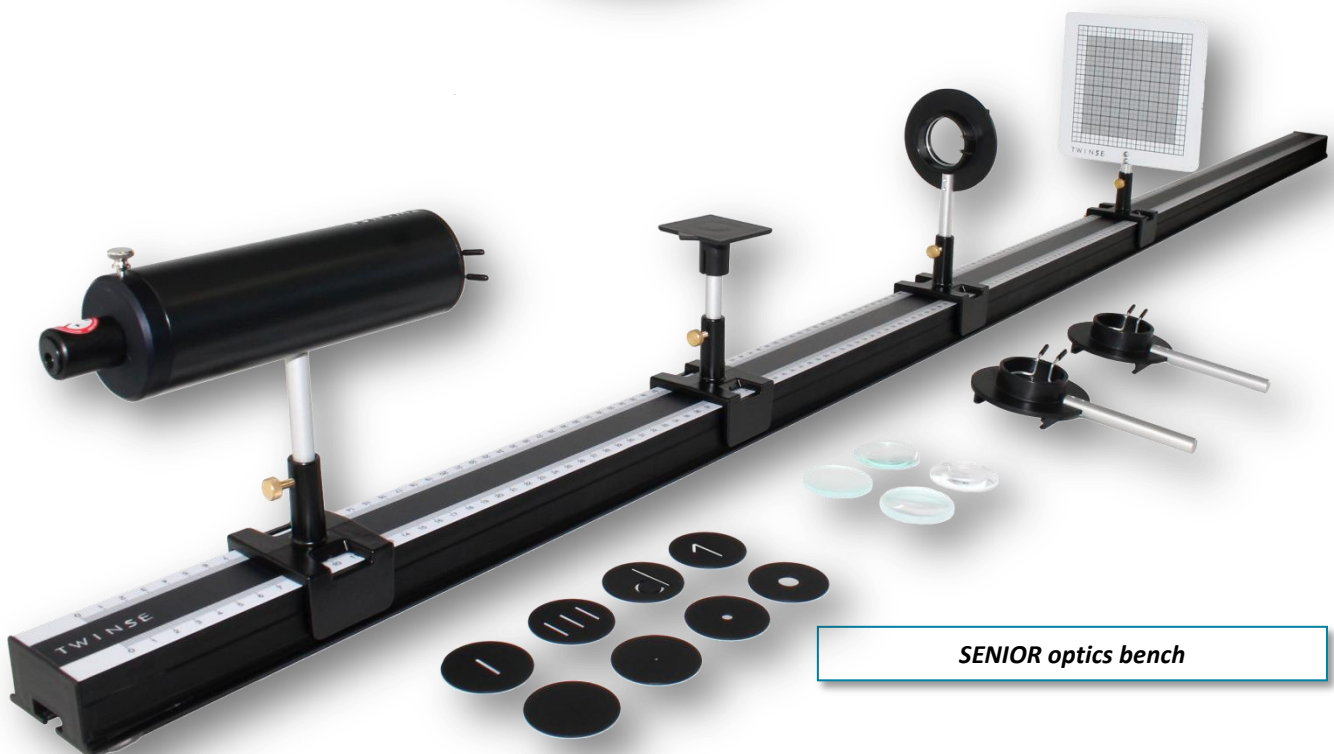

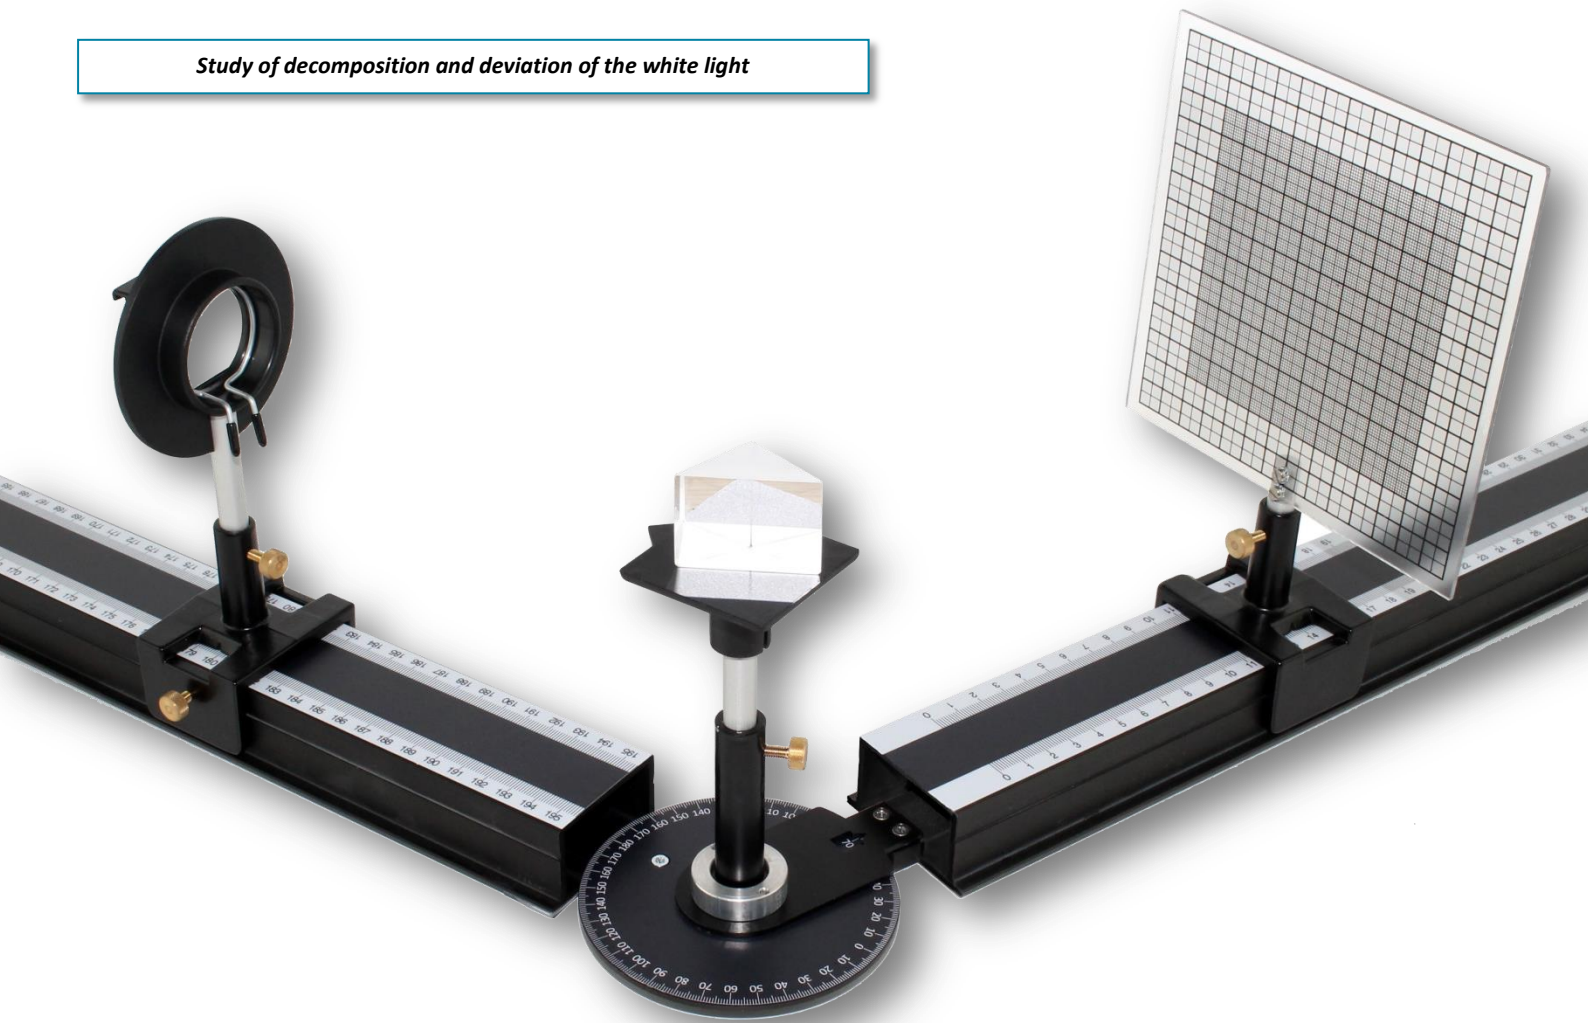

Associated products

- SENIOR optics rail - **DO106027**
- SENIOR optics rail 500 - **DO106030**
- SENIOR optics bench - **DO106037**
- ECOLED source - **DO105030**
- SENIOR prism holder - **DO107017**

EXPERIMENTS

Study of decomposition and deviation of the white light

SENIOR optics bench
