

DO115034

Diffraction glass grating 1000 tr.

Slide to study diffraction.

School level

Senior high school.

Technical features

Diffraction grating under glass
Set on a slide
1000 lines /mm
English serigraphy
Dimensions: 50 x 50 mm
Packaging: sachet of 25 units for a reference

Diffraction glass gratings

| | |
|-----------------|------------------------------------|
| DO115030 | Diffraction glass grating 140 tr. |
| DO115031 | Diffraction glass grating 300 tr. |
| DO115032 | Diffraction glass grating 530 tr. |
| DO115033 | Diffraction glass grating 600 tr. |
| DO115034 | Diffraction glass grating 1000 tr. |

Product advantages

- Grating protected by 2 glass slabs.
- Easy to identify: serigraphy.
- Different diffraction figures on a same slide.

Examples of experiments

- Light diffraction.
