

DO115003

Diffraction grating 140 lines

Slide to study diffraction.

School level

Senior high school.

Technical features

Diffraction grating set on a slide
140 lines /mm
Black serigraphy
Dimensions: 50 x 50 mm
Packaging: sachet of 25 units min.

Diffraction gratings

DO115002	Diffraction grating 530 lines
DO115003	Diffraction grating 140 lines
DO115004	Diffraction grating 300 lines
DO115005	Diffraction grating 600 lines
DO115006	Diffraction grating 1000 lines

Product advantages

- High quality grating.
- Easy to identify: serigraphy.
- Many uses: with white light incandescent source, laser or spectral lamp.

Examples of experiments

- Light diffraction.
