

DM230025

Erasable magnetic board 600x400

The perfect support for most optical and mechanical experiments.

School level

Junior and senior high schools.

Technical features

White erasable magnetic board
Vertical or horizontal position
Supporting feet removable and magnetic
Dimensions: 600 x 400 mm
Triangular feet: 300 x 200 mm
Weight: 3.800 Kg
Packaging: individual.

Product advantages

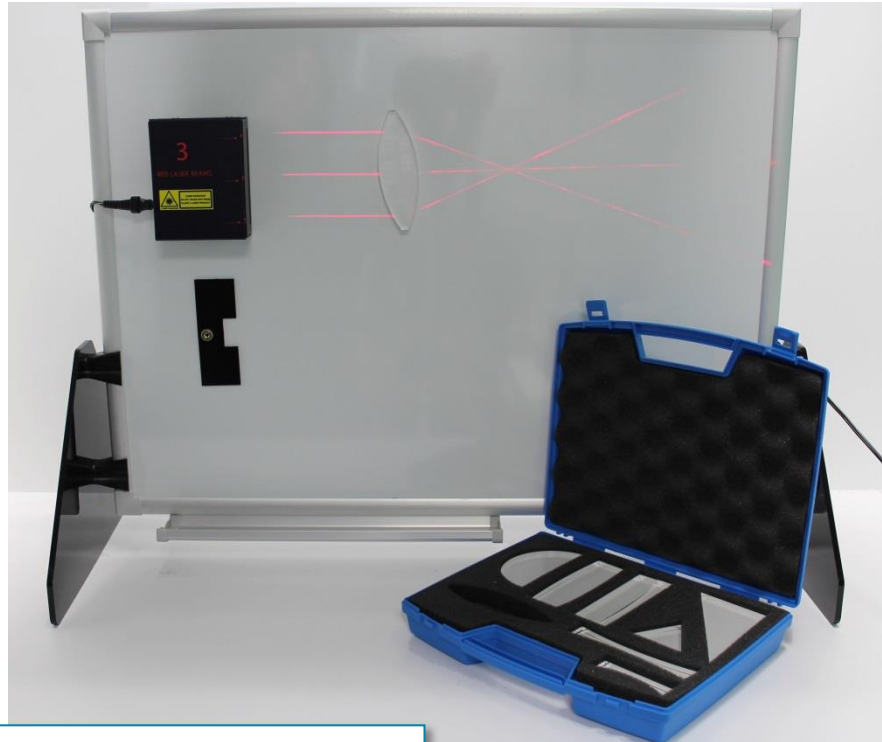

- **Vertical and horizontal** position: removable feet.
- **Easy delivery**: magnetic feet.
- High **magnetic power** and **resistance**.

Associated products

Erasable magnetic board 600x900 - **DM230024**
Suitcase MECAPRO - **DM233008**
Multibeams laser red - **DO108002**
Multibeams laser red and green - **DO108017**
Laser TRIO red (available in green) - **DO108015**
Suitcase magnetic lenses - **DO104022**

EXPERIMENTS

Use with multibeams laser red and suitcase magnetic lenses

Use with suitcase MECAPRO
