

DE100002

## Power supply 6 - 12V 100VA

Transformer for devices working with 6 and 12V.

### School level

Junior and senior high schools.

### Technical features

Input voltage: 230 VAC  
Output voltages: 6 or 12 VAC  
Output: security sockets Ø4  
Output current: 16 or 8 A  
Lighting switch  
Length of wire: 1.40m  
Dimensions: 130 x 100 x 85 mm  
Weight: 2.720 kg  
Packaging: individual.

### Product advantages

- **Mobility.**
- **Output voltage choice:** 6 or 12VAC
