

DO106035

Sliding holder PREMIUM 50

Sliding support for optics accessories.

School level

Senior high school, higher education.

Technical features

Aluminium sliding holder with small column for rod \varnothing 10
 1 brass clamping screw on bench
 1 brass clamping screw on small column
 2 lengths available (50 and 100mm)
 Positioning index for direct lecture
 Dimensions: 50 x 57 x 140 mm
 Weight: 240 g
 Packaging: individual.

Product advantages

- **High precision of reading graduations** with the index.
- Clung holder for an **excellent lining up on the optical axis**.

Use on PRISMATIC optics bench

Examples of experiments

- Focometry (measure of a focal distance).
- Light diffraction.
