

DM240004

Supporting ring Ø70

Supporting ring for chemical experiments.

School level

Junior and senior high schools.

Technical features

- Metallic ring on rod
- Ring Ø70 mm (internal dimensions)
- Rod with length 120mm
- Steel wire Ø8 mm
- Galvanised finish
- Weight: 140 g
- Packaging: box of 25 pcs.

Product advantages

- Different diameters available: Ø45, Ø60, Ø70 and Ø80mm.

Examples of experiments

- Chemical experiments.
