

DA102020

## Tube support for electrolyser

Accessory for electrolyser.

### School level

Senior and junior high schools.

### Technical features

Plastic support  
2 locations  $\varnothing$ 20mm for measuring tubes  
Lateral shoulder to put on the tank  
Dimensions: 110x30 mm  
Weight: 15 g  
Packaging: individual sachet

### Product advantages

- Keeping the measuring tubes stable in the tank.

### Experiments

- Electrolyse.
